Who are we?

Lions are ordinary people who have chosen to give up some of their spare time to help those in need by doing extraordinary things to help others and support good causes throughout the British Isles.

Globally we have more volunteers in more places than any other service club organisation, and love to step forward to volunteer, help others and make things happen.

Wherever you live, work or travel across the British Isles, you are likely to come across members of Lions clubs and the projects we support.

We'd love you to join us.

We have no national, political or religious affiliations.

Worthing Lions are a registered charity no. 1099004

We:
- ◊organise events
- ◊fund raise
- ◊run a shop
- ◊assist others

Fund Raise

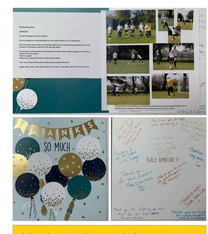

We have been serving and helping for more than 70 years the community of Worthing with over £700,000 given to good causes in the last 33 years.

Worthing Lions at most of our events have bucket collectors who collect cash donations or via SMS donations.

We also have sponsors and supporters who help us by funding parts or all of our events.

All proceeds from the shop are part of our fund raising efforts.

Assistance

Worthing Lions from the funds raised by events and the shop provide assistance to a wide range of organisations and people of the Worthing area.

We try to help families who are struggling during times of crisis, usually when illness adds to mounting problems.

We help individuals or more major tasks like rebuilding houses to accommodate disabilities. In the latter, we often pledge a certain sum of money to go towards a major build and once funds are reached the money can be released to help pay the bills.

We also help youth, supporting local youngsters achieve their goals. Often such youngsters are carers for their loved ones and are missing out on their own childhood.
